

**Now, please [click here](#) to give your feedback about your experience when performing Task 2.**

# Task 3

Before starting Task 3, close and open STEVE again.

- **Extract automatically hot and cold sensory effects from *video.mp4*.**
- Please remember to register how much time you spent for completing the task.

Note: Check if **you agree** with the temporal synchronization of the generated sensory effects. We are going to ask your feedback about it later.
